## IMPIEGO APPROPRIATO / APPROPRIATE USE

Cavo per posa mobile. Possibilità di utilizzo anche in posa fissa non interrata, osservando opportune precauzioni durante l'installazione. Adatto all'uso all'interno di locali sia asciutti che umidi e per uso temporaneo o intermittente. In esterna è utilizzabile per brevi periodi di tempo, comunque non più di qualche settimana consecutivamente.

*Cable for mobile laying. Can be used installed in fixed laying, taking appropriate precautions during installation. Suitable for use on inside, both on wet or dry environments and for temporary/occasional use. It can be use in external for short period of time as well, no more than some weeks globally.*
